Dear Respected Parent/Guardian

Assalaamu alaikum / Peace be with you

**Re: Year 11 Exams Information, Advice and Guidance Evening**

As you will know, your daughter will be sitting her GCSE exams at the end of this academic year. I am sure you will support and encourage her to achieve her potential in what will be the most important exams she has ever taken.

You may have seen on the school calendar that our **Year 11 Exams Information, Advice and Guidance Evening** was due to take place next week. This has now been rescheduled and will take place on **Wednesday 21st Octobe**r from **4:45pm to 6:00pm**. My apologies for any confusion caused.

Due to Covid safety restrictions we cannot host this at school as we would normally do. The evening will take place as a virtual broadcast online. I will present information and will also answer questions submitted before and during my presentation. Next week you will be sent further information about arrangements, the platform to be used and how questions will be submitted.

This will be a valuable opportunity to receive important information about the GCSE examinations that your daughter will be sitting in the summer term. You will also receive advice and guidance about how you can support your daughter with revision in preparation for both her mock and GCSE exams. I will also update you about what could happen due to exam disruption as a result of Covid restrictions. Note that we must all anticipate GCSE exams going ahead as normal unless we hear otherwise.

This is not a Year 11 Parent's Evening and you will not be able to talk to any your daughter's subject teachers. It is an Exams Information, Advice and Guidance Evening. The Year 11 Parents' Evening is due to take place on Wednesday 20th January 2021. You will receive more information about how this will run in due course.

I pray that you and your families are well. I hope you are all able to attend our first online Information, Advice and Guidance Evening.

Yours Faithfully,

Antikhab Aslam
