**RE: Ramadhan Enrichment Clubs**

Dear Parent/Guardian,

Assalaamu Alaikum (Peace Be Upon You)

With the blessed Month of Ramadhan now upon us, we would like to offer our pupils a variety of Enrichment Clubs during Ramadhan to build on their character and spiritual development. We will be providing a wide range of activities conducted by our staff.

These clubs will help your daughters to develop and enhance their knowledge in many fields of our Faith, such as Seerah, Ramadhan Journaling, Salaah, Fasting and some arts & crafts.

Your daughter can register for the activity available on the day, throughout Ramadhan. Please look at the table below for more information. Please note that your daughter must let you know that she will be late if she is staying for an activity. We will keep a record of pupils who have signed up each day and also take registers.

The enrichment clubs will take place from Monday to Thursday. Starting from Monday 19<sup>th</sup> April 2021 and concluding on Wednesday 12<sup>th</sup> May 2021. The clubs will finish 3pm each day.

May Almighty bring prosperity, blessings, love and unity to all of us in the blessed month and May the Almighty protect us all, Ameen.

Wishing you all a wonderful Ramadhan full of spirituality.

Yours faithfully,

Javed Kachhalia
