RE: Ramadhan Packs

Dear Respected Parents/Guardians, Assalaamu alaikum (Peace be with you),

Eden Girls' School is committed to supporting our pupils, parents, and local community. We have continued to support families on Free School Meals with weekly Foodbank distributions. Families are given non-perishable food items, hygiene products as well as fruit & vegetables.

Now that the blessed month of **Ramadhan** is upon us, we are working again in collaboration with InTheBag, who are a non profiting group in the local community, raising charity and supporting those in need.

We would like parents to support us with donations (monetary or goods based) of the following items for packs to be created for our local community in need. We are anticipating each pack to cost around £30 consisting of the following items:

- 1 case of chickpeas
- 1 case of tin tomato tins
- 5kg bag of rice
- 2 kg bag of gram flour
- 3kg bag of pasta
- Pasta sauce
- Cooking oil
- Dates, Sugar, tea, coffee

Drop off information

Please drop off any of the items above to Eden Girls School between **Monday 12th April to Thursday 15th April** between 9am – 3pm. Or alternatively make **donations via ParentPay** into the Foodbank section. For more information contact the school office.

We are continuing to accept donations (Sadaqah), from parents and staff. This can be done by donating via ParentPay which is open for donations till July 2021. However large or small, all donations received will support local families in need during this testing period.

If you would like to see the charity events we have been running, we have a Twitter account, @edengirlsslough, where photos are shared weekly.

I would like to take this opportunity once again, to thank everyone who has supported us in all the charity events to date. We hope you continue with your generosity, support and efforts going forward.

Yours Faithfully,

Shegufta Farooq-Bowkan
Assistant Principal
