Dear Respected Parent/Guardian

Assalaamu alaikum / Peace be with you

Re: Revision sessions during Easter holidays

As you will know, your daughter is sitting assessments in April and May. These will be used by her teachers as evidence for awarding her Teacher Assessed GCSE Grades. I am sure you are supporting and encouraging her to achieve her potential.

Easter holiday revision sessions have been organised to help give your daughter some extra input from her teachers. You will be sent a text detailing which sessions she is invited to. Please encourage her to attend these sessions.

An overall plan is attached to this letter. Your daughter should only attend the sessions she has been invited to. This will be confirmed by text.

Please note:

- Your daughter does not need to wear school uniform
- She should dress modestly in line with the Islamic ethos of the school
- She will need to sign in and out at Reception
- She should bring water
- She can bring snacks
- If she has a whole day session, she should also bring a packed lunch
- She will stay on site throughout the intervention sessions
- She will be supervised during any breaks
- She should wear a face covering
- Usual covid protocols including cleaning of rooms will continue

Our teachers look forward to helping your daughter during her revision sessions.

Yours Faithfully,

Antikhab Aslam
Deputy Principal
