Dear Respected Parent/Guardian

Assalaamu alaikum / Peace be with you

**Re: End of year exams – Years 9**

I pray that you and your families are well as we come to the end of what has been a challenging school year. Under normal circumstances, your daughter would have completed four end of term assessments in each subject by now. Lockdowns and remote learning have affected assessment, but she will still have completed two or three per subject. After half term, your daughter will be sitting her end of year exams. These are an important check on attainment and progress for your daughter and her teachers. Results will also help teachers plan their support for her next year.

The exams will take place after half term:

- **Monday 14<sup>th</sup> June – Friday 18<sup>th</sup> June**
- **Monday 21<sup>st</sup> June - Friday 25<sup>th</sup> June**

**Exam timetable**

The exam timetable is attached to this letter. Normal lessons will take place when an exam is not scheduled. All exams will take place in classrooms with no more than two exams per day.

**Revision: supporting your daughter**

Teachers will use the first week after half term for revision lessons with no new content being taught. They have also prepared revision materials, either printed or on Microsoft Teams, to support your daughter over half-term. However, it is crucial that your daughter to revises independently in order to achieve the highest possible grades. Please support and encourage your daughter to prepare for the exams. You can do this in a number of ways:

- Emphasise the importance of exams
- Ask her to take them seriously
- Remind her to bring correct equipment
- Arrange a quiet study space
- Encourage her to revise
- Help her with revision if possible
- Ensure she eats healthily and is hydrated
- Ensure she gets a good night's sleep
- Provide her with support and encouragement
- Be there for her when she is anxious

Thank you for your continued support of the school as we work together to ensure your daughter makes outstanding progress at Eden Girls' School, Slough.

Yours faithfully,

Antikhab Aslam  
Deputy Principal
