Students have the choice of attending in person at the University College of London or online. Please note that there is a fee attached to this. If you would like your daughter to take part in this, please register using the following links. Please note all arrangements and payments for these two programmes will need to be made by parents.

2. Young Investment Banker: <https://investin.org/products/young-investment-banker-weekend>

Alternatively, I will be posting the links to the website on Teams for your daughter to access.

As part of our careers programme, we would like to start a new initiative titled '***So you want to be a...***' where we hope to invite professionals to come to school to provide an insight into their careers. If you, a family member, or a friend is interested in volunteering to speak about a career, please complete the form link [here](#).

If you have any questions, please feel free to contact us at info@egslough.staracademies.org.

Yours faithfully,
