

22<sup>nd</sup> November 2021

Dear Respected Parent/Guardian - Assalaamu alaikum / Peace be with you

**Re: Enrichment Programme 2021-22**

I am writing to confirm our enrichment offer for 2021-2022 Term 2.

At Eden Girls' School, Slough we believe in the development of the whole child. In this regard, our extracurricular enrichment programme is important in giving our students the opportunity to participate in activities that will develop their knowledge, skills, character, leadership, and self-confidence.

Our staff are offering the activities shown on the attached timetable, based on their individual expertise and interests.

We would encourage your daughter to participate in the activities on offer, two per term. Pupils will choose different activities each term.

Please note the following:

- Enrichment activities take place at lunch time (12:25 pm to 12:50 pm) or after school (3:10 pm to 4 pm)
- Students should see the member of staff running the activity for further details
- Students required to attend intervention classes cannot attend enrichment activities on the same day
- Students are responsible for informing their parents that they plan to attend an enrichment activity for the full term
- A text will be sent out in advance if an enrichment activity needs to be cancelled
- Parents can contact the school if they are unsure which enrichment activity is running
- Registers for enrichment and intervention sessions will be taken
- Parents may contact the school to confirm that their daughter is attending
- Pupils will pick up their mobile phones on departure from school
- Parents must ensure that that appropriate transport has been arranged where necessary
- Please reinforce key messages about staying safe with your daughters when travelling home

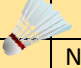

Due to Mock exams some sport activities may be cancelled from Monday 22<sup>nd</sup> November until Thursday 9<sup>th</sup> December. Badminton will not run during this time and Netball and Football will be weather dependent

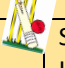

Yours Faithfully,

Lisa Kiely  
Deputy Principal

Make sure your parents know you are staying for a club. Speak to the teacher for more information.

Try and go to two per week!
