Dear Parent/Guardian, Assalaamu alaikum - Peace be with you

Supporting children in Ukraine

The scale of the humanitarian crisis in Ukraine is worsening daily. The threat to the lives and wellbeing of the country's 7.5 million children is devastating. Innocent children are being killed or seriously injured, traumatised by scenes they witness and by separation from family members. Basic supplies of food, water and medicines are scarce.

Our school, along with all others in Star Academies, is supporting UNICEF to do what we can to ease suffering and bring hope to the children who are casualties of this cruel war. Please donate if you are able to do so.

Our preferred method is for payments to be made securely by ParentPay. We will also accept cash donations. If you decide to pay by cash, please send the money to school in a sealed envelope clearly marked 'Ukraine appeal.'

It is vital that our donations are sent to UNICEF as soon as possible given the urgency of this crisis. Our school appeal will close on **Thursday 10 March**.

Thank you for your support as we stand together to support children whose lives are devastated by conflict.

Yours faithfully
