Dear Parent/Guardian,

Assalaamu Alaikum - Peace Be Upon You

Re: Ramadhan Fundraising initiatives

We pray and Trust you and your family are in good health, (God willing)

In our previous correspondence and letter, we mentioned our fundraising incentive in which we requested each pupil to donate a minimum of £25 towards our projects. We are confident that our community and pupils will show their generosity towards the projects that our charity (Shine) are working on.

We are keen to get involved this year, as our school can really make a difference to people's lives. It is a great opportunity for our pupils to demonstrate the key values of kindness, generosity, positivity and to be empathic towards those who are less fortunate than us in the world.

Therefore, we are encouraging pupils to get involved in our '**Ramadhan Fundraising initiatives**' and choose from a range of rewarding actions. There are a range of fundraising activities students can complete if they want to take part, including:

- **Reading and completing the Quran**
- **Kindness chart**
- **Reading 100 times the Kalimah and Durood (Salawaat) daily**
- **Memorising challenge**
- **Arts and Crafts of Islamic Landscape (Masjidul Aqsa, Masjid Al Haram, Masjid An Nabawi)**

We would like our pupils to complete any of the above challenges by requesting family, relatives, and friends to sponsor them. All the money sponsored and donated will be added to our Ramadhan Fundraising appeal.

Should your daughter wish to take part, she can take a sponsorship form from Mr Kachhalia. Once the challenge has been completed, the form and all the money should be handed to the school office, clearly labelled with 'Ramadhaan Appeal'.

May Allah grant you and your family goodness and barakah throughout the Month of Ramadhan. Ameen

Yours faithfully,

Javed Kachhalia
