

Eden Girls

Respected Parent/Guardian,

Assalamu alaikum / Peace be with you,

**RE: Year 9 Creative Carousel lessons**

I write to inform you that your daughter will be participating in a creative carousel lesson which will encompass Art, ICT, Drama and Food & Nutrition subjects. These subjects will be on rotation with 10 weeks of sessions per area.

During the Food & Nutrition lessons, pupils will be cooking quick and easy snacks and/or bakes that they will be able to bring home.

Although the activities do not incur a charge, pupils are expected to bring a container to take their food items home.

Yours faithfully,

Aasima Asghar  
Teacher of Food and Nutrition
