

01 December 2022

Dear Respected Parent/Guardian,

Assalaamu alaikum - Peace be with you

Re: Y10 Information, Advice & Guidance (IAG) Evening

As you will be aware, Year 10 is a very significant year for your daughter's education at Eden. This year she will sit her first GCSE and will be working through learning most of her GCSE knowledge across all subjects. As a result, we would love to have a face-to-face meeting where we share with you key information related to the demands of the year.

We are looking forward to seeing you on **Thursday 15 December from 5pm-6pm** for our IAG Evening. During this evening our faculty leaders for Maths, English, Science, and Religious Studies will present on their key curriculum support, provision and to answer any questions you have.

Doors will open at 4:45pm for a prompt start at 5pm.

This is an opportunity to receive key information from our core departments as we support our Year 10 pupils on their successful journey throughout this year.

During this evening we will be discussing support regards;

- Helping your daughter prepare for her GCSE Religious Studies Examination
- Resources and support available throughout the academic year and beyond
- Our curriculum and homework plan for Maths, English and Science

We do hope you are able to attend. Please contact the school via info@egslough.staracademies.org if you have any questions.

Yours Faithfully,

Lisa Kiely

Deputy Principal
