Dear Respected Parent/Guardian
Assalaamu alaikum - Peace be with you

RE: Foodbank Charity Event

I am writing to inform you about an upcoming charity event hosted by the Year 9 First Give students and the Year 11 Citizenship students. The two groups are working collaboratively in an endeavor to organize a food collection for Slough Food Bank (SFB).

Slough Food Bank is a charity which works to provide three days of nutritionally balanced emergency food packs to support local people in crisis. Recently, SFB has noticed an increase in demand for its services because of the current cost of living crisis, which has led them to work even harder to satisfy this demand and help those who are most in need across Slough. SFB is a non-profit organization which means that they rely on donations given by the local community. Now it is needed more than ever which is why we implore you to help us in our journey to collect as many non-perishable items as we can.

Below is a list of items on the SFB Wishlist, we aim to collect as many of these as we can, however any non – perishable donation is welcome. **We request that your daughter bring any of the following items between now and Friday 10th February 2023.** To encourage active Citizenship and the most amount of participation we have made this into a form group competition. The form with the greatest number of items and heaviest weight will be rewarded.
