

24 January 2023

Dear Respected Parent/Carer
Assalaamu alaikum - Peace be with you

Re: Year 10 Face to Face Parents' Evening

The Year 10 Parents' Evening will take place on **Thursday 9th February 2023 from 4.00pm – 7.00pm.** This is an important opportunity to discuss your daughter's academic progress with her subject teachers and for many of you this will be the first face to face event you have attended. A couple of weeks ago your daughter brought home her most recent report card. **Please do review each subject result with your daughter.** You will be able to discuss the report card and recent test results with her teachers at the Parents' Evening.

At Eden Girls' School it is our firm belief that a supportive relationship between the school, child and parent is essential for the excellent progress and development we want to see in our pupils. We would urge you to take this opportunity to find out how your daughter is progressing and with praise and support as required to ensure future success. **We expect to see every parent attend Parents' Evening.**

Students are expected to attend the Parents' Evening along with parents. From Thursday 26 January your daughter will be able to make appointments with her class teacher. A form to support this process will be given to her at the start of the day on Thursday. **Before Thursday, please confirm with her your availability so that she can make appointments at times that are convenient.**

Please see Parents' Evening as an opportunity to make the most of the **remainder of Year 10.**

- We ask that you arrive 10 minutes before your first appointment so that you can start the minute the teacher is free, allowing the evening to run smoothly.
- You will be asked to sign in at reception and will also be asked to confirm that the contact details we have for you are correct.
- We also ask that you stick to your five-minute slot with the teacher, so other parents can also receive adequate time with the teacher.
- Please recognise that face to face Parents' Evenings can overrun. We will try our best to ensure the evening runs smoothly.
- **Please note:** Our Geography and RS department teach more pupils than they can make appointments with. They will endeavour to meet with priority pupils and will also actively call home between now and Thursday 9th February.

I would recommend that you try to see all your daughter's teachers where possible. **Miss Badar, our Head of Year 10, will be available for parent meetings to discuss any concerns or issues.**

I look forward to seeing you at our Y10 Parents' Evening on Thursday 9th February 2023.

Yours Faithfully,

Lisa Kiely

Deputy Principal
