AFTER-SCHOOL ENRICHMENT ACTIVITIES

A wide range of after-school enrichment activities are available. Full details will be given to all pupils at the beginning of the year. In addition, the homework club is open for 55 minutes after school every day, where pupils have access to computers and staff members are available to help with independent learning, research, homework etc.

ASSEMBLIES

There will be a year group Assembly one day each week. Further details to follow in September 2023.

ATTENDANCE

It is essential that you attend school regularly in order to make good progress with your learning, develop confidence in schoolwork, build positive relationships and develop your independence. Pupils are expected to have an attendance level of over **97%**. Pupils with 100% attendance are rewarded. Form classes with the highest attendance in each year group have a pizza party at the end of each half-term.

BULLYING

We do not tolerate bullying. If you think someone is bullying you or someone else, make sure that you tell your Learning Coordinator, Head of Year or any other staff member. You can also put a note in one of the two Worry Boxes.

CHEWING GUM

This is banned from school premises.

CLASSROOM EXPECTATIONS

The basic expectations for behaviour in the classroom, which we expect you to follow, are:

- Following the teacher's instructions
- Listening when the teacher is talking
- Only making positive constructive comments

COMING TO SCHOOL

You must arrive in school by 7.50 am. You should cross the road outside the school safely and cross with a staff member wherever possible. Always use pelican or zebra crossings, along Bath Road. If coming by car, you should be dropped off in a safe place and picked up when leaving, not causing traffic congestion outside of school. Parents to follow all road and safety pedestrian regulations and show courtesy to residential and business premises avoid blocking their entrance and exit points.

CYCLING TO SCHOOL

You may bring a bicycle to school if your parents give you permission to do so. Bicycles must be left locked in the racks provided in the playground. You must wear a helmet and not ride on the school site.

DEADLINES

When you are given an independent learning task, make sure that you also record the date by which it is due to be completed, in your planner. Missing deadlines can lead to detentions to catch up on missed work.

Other important deadlines include payment for school activities and trips and the return of forms or letters when requested. If these are not returned by the deadline date, you may not be permitted to be involved in the activity or trip.

ESSENTIAL EQUIPMENT

We will provide all textbooks and exercise books necessary for lessons. Here is the list of essential equipment that you will need to bring with you every day:

EVENTS

There are various events that you may be involved with during the school year, including:

- Iftar (fast-breaking) events
- Parents' Evenings
- Charity fundraising events
- Celebration of special days

These will be shared in assembly, and you will be given the opportunity to contribute to them.

ENRICHMENT ACTIVITIES

There are plenty of these on offer so you may want to decide on which ones you will take part in. They include Art, Science, PE, Seerah, Qur'an and many more.

FAITH ETHOS

Our Faith Ethos is inclusive, being relevant to people of all faiths and those with none. We focus on the core values that underpin Islam and which are fundamental to British society. As such, we endeavour to enable you to develop an outstanding character and understand the importance of self-discipline, care, compassion and tolerance.

FRIENDS

Many pupils start secondary school with friends from their previous school but some do not know anyone. It is good to keep your old friends but do be prepared to make new ones as well and be friendly to everyone.

FORGOTTEN ITEMS

We encourage you to be independent and learn to remember everything you need for the school day. Pack for the following school day in advance and/or create a checklist to make sure you have everything you need.

GOOD MANNERS

It is important to adopt good manners and behave with courtesy, consideration and cooperation.

HEALTHY EATING

The school encourages healthy eating. Pupils should not bring in energy and fizzy drinks, family-sized crisps, chocolates, and sweets.

HOMEWORK

Homework should always be recorded in your school planners. Teachers will set you homework regularly and give you dates for when this is due. Pupils who do not complete their homework on time will receive a detention for this.

ILLNESS

If you feel ill during the school day, ask permission to go to the Head of Year Office. The HoYs/Admin Staff will ensure that you are looked after and call your parents if this is necessary.

INDEPENDENT LEARNING

In Secondary School, independent learning tasks are often set by teachers to complete in class or at home. This may involve reading, researching, revising or planning.

JEWELLERY

You are only allowed a wristwatch not a SMART watch and **one pair of small, plain gold or silver stud earrings**. **No other jewellery should be brought to or worn in school**. Prohibited items of jewellery will be confiscated. All personal belongings are your responsibility.

KIT

Check your timetable each evening to make sure that you have all the books and equipment that you will need for lessons the following day. Do not forget your PE kit - if you do, inform your PE teacher, who will provide you with a spare PE kit to use and set you a detention. You must bring in your PE kit even if you are unable to take part

in PE.

LEADERSHIP SPECIALISM

We want to ensure that pupils not only 'do their best' but 'do the right thing' and play a full role in society. This will develop them to become well-rounded, ethical and accomplished leaders of the future.

LIBRARY

The Library provides a place for you to carry out research, pursue personal interests, do homework, study or read quietly. Resources are carefully selected to support the school's curriculum. Pupils are expected to respect the Library and its resources, especially as a quiet place of study. You may use your School ID to borrow books. Please ensure they are returned or renewed on time and looked after while in your possession.

LOST PROPERTY

You should always make sure that everything you bring to school has your name on it. If you cannot find something, you may check if it is in Lost Property at break or lunch time. Items that have not been collected for over a term will be donated to charity.

LUNCHTIME

This takes place at 12.15pm on Monday to Thursday for Year 7 pupils. You can buy meals, snacks and drinks using your ID Card. This is linked to your ParentPay account, which your parents can top up with money. If you do not have money on your card and need to buy lunch, please speak to a staff member, who will be able to help you.

MOBILE PHONES, SMART WATCH, MP3 PLAYERS AND GAMES CONSOLES

Mobile phones (including smart watches) should not be on you while you are in school. If you bring these items to school, they should be switched off and handed in to your head of year as soon as you arrive. They may be collected at the end of the school day.

If they are not, they will be confiscated for two weeks and returned to your parent after a meeting. This also applies to other devices as they are not allowed in school. The school takes no responsibility for students' personal items.

Planner

Planners are provided by the school. You need to use it to record all your homeworks, detentions, appointments, goals etc. This needs to be signed by you, your LC and parents before every Tuesday.

PERSONAL PROPERTY

Please do not bring large sums of money, expensive clothing or valuables of any kind to school. The school will not be responsible if these are damaged, lost or misplaced.

PRAYER AND REFLECTION

A time is set for daily Dhuhhr (midday) prayers. All pupils are expected to take part in this except those who have a note from their parents requesting that they do not. Those pupils should use this time for silent reflection.

PUNCTUALITY

You must arrive punctually to school and to all lessons. You should be in school by 7.50am. Any pupils arriving late more than twice a week will be set a Head of Year detention and is logged in their record.

QUESTIONS

As a new pupil, you may have many questions about the school. Remember that there are many people who can help you and never be afraid to ask.

RESPONSIBILITY

Eden Girls' School is probably bigger and busier than your previous school. You need to take responsibility for your belongings. Make sure that they are all named and do not leave them lying around.

STUDENT COUNCIL

The school operates a student council with elected representatives from each year group. The council meets regularly and discusses issues raised by the student body.

SIGNING IN AND OUT

If you arrive late to school, you **must** report to Reception and sign in. If you need to leave school during the day for any reason, you must bring a letter or note confirming this. Show this to your Learning Coordinator in the morning and then take it to Reception when you go there to sign out. You will need to be collected by a known adult.

UNIFORM AND APPEARANCE

You are expected to wear the correct uniform and to maintain the highest possible standards regarding your individual presentation. Full uniform checks take place regularly. All items of uniform should be named. The main uniform is made up of a navy-blue blazer, a plain white shirt, a navy blue skirt, plain black socks or tights, plain black school shoes and a plain black bag. Optional items include a plain navy and purple two-piece headscarf, long plain navy/black leggings to be worn under the skirt and a plain outdoor coat. Wearing makeup or nail varnish is against school rules.

- Listening to their unique perspectives on learning, teaching, and schooling
- Providing opportunities for students to actively shape their education.
- Providing responses to issues raised by students.

How the Student Council works

- One Student Council member is elected from each form.
- They keep a record of issues or concerns raised by members of their form class.
- They raise these issues in meetings every half-term with the school's Assistant Principal.
- They report back to their tutor group on issues that have been discussed at meetings.

The qualities of an effective Student Council member

- Passionate about the school's Mission Statement
- Eager to be actively involved in school life
- Clear communicator
- Confident
- Sincere role model
- Reliable

Eden Against Bullying!

Bullying is ...
repeated behaviour
which is intended to hurt
someone either
emotionally or physically

Bullying is too serious
to suffer in silence.

If you are being bullied

TELL SOMEONE! This can be your Learning Coordinator or Head of Year

At Eden Girls' School, we believe that everyone has the right to enjoy their learning and leisure time free from intimidation. **Bullying will not be tolerated!** It is everyone's duty to report bullying whenever and wherever they see it. We are a 'telling' school.

"BE BRAVE. WALK AWAY. GET HELP"

Your Learning Coordinator and Head of Year are here to help. Speak to one of them, or any other staff member, if you need help or if you know someone else who may need help.

Mental Health

Take the opportunity to talk.

You can set aside time to specifically talk about mental health and emotional wellbeing. Small chats with your Learning Coordinator or Head of Year can help relieve some built-up stress and tension.

Talking helps. Many people who have experienced mental or emotional health issues can help others and are often very keen to do so. Simply chatting to someone you trust can make a lot of difference.

Don't know what to say?

If something is on your mind but you don't know what to say or you feel shy talking about it, you can consider writing a letter or perhaps leave a note for your teacher or posting it in the Worry Box.

Be patient. There are times you may not feel like talking and your teachers won't pressure you to. Be comfortable.

It's OK.

Sometimes it can be difficult to manage and express your feelings. Your teachers are here to help. Nothing is a big deal or too silly to talk about. If it is impacting you then get help.

Ask simple questions. "can I ask you something..." "can you help me with something?" are great ways to start a conversation with your teacher about mental or emotional wellbeing.
